## Holy Week: A Eucharistic Encounter

Presenters:

***Sister Maria Guadalupe  
Sister Mary Jacinta***

When:

Saturday, March 16th

Where: St. Lucy Parish

St. Clair Shores

Both our presenters are members of the [Dominican Sisters of Mary, Mother of the Eucharist](#), based in Ann Arbor, MI. Our community has over 20 convents, including one in Rome. We primarily teach, although we have been able to serve the Church through the apostolate of evangelization in the work of publishing resources on the virtuous life for adults and children.

**Sister Maria Guadalupe** has been a Dominican Sister of Mary, Mother of the Eucharist since 2001. She grew up in the Boston area and is passionate about Catholic education. Sister has taught at the middle school and high school levels in Michigan and Texas, has served as an elementary school principal in Plymouth, MI, and as a librarian at the Pontifical North American College in Rome. Currently, she is serving as Principal at St. Isaac Jogues Catholic School in St. Clair Shores.

**Sr. Mary Jacinta** entered the Dominican Sisters of Mary, Mother of the Eucharist in the year 2000. She is from a large Catholic family in MI and has been privileged to grow in her Dominican identity over the years while serving in many Catholic schools across the U.S. Sister has taught all ages on the grade school level across the country, and most recently enjoys teaching Intervention and Catechesis at St. Isaac Jogues Catholic School in St. Clair Shores.
